

## Thinking about playing athletics in college?

Our goal is for each student to attain their highest college acceptance potential and NCAA athletic placement. We use a strategic approach, tailored for the student, in a partnership with the family, to achieve the best college options.

### Initial WGVS Student Athlete Meeting

#### Getting Recruited 101:

WGCS is NCAA approved

WGCS will set you up academically to be NCAA eligible (with acceptable grades)

Advantages of a small private school in relation to college acceptance

We will partner with you and help you market yourself to coaches and schools via coach contacts, emails, videos and relationships.

WGCS Counseling Team's experience in placing NCAA athletes and getting NCAA athletic placement offers

Our coaching staff and Headmaster will help you to find resources to develop your athletic skills and opportunities.

Recruiting Trends then and now

What are the odds?

How much time will this take?
