Good afternoon Coach Palombo,

My name is Kyle Boyd and I am the Headmaster and Athletic Director at Walnut Grove Christian School in Fort Mill, SC.

About the school:

I have a senior this year that might be a good fit for you. His name is Mert Yaziksiz. He is a point guard from Turkey and is quite a leader and player. He is the kind of player and person that I can recommend without reservation.

Let me know if you are interested and if so, what you would like to see from my end.

Thanks and have a great day!
