## **STATEMENT OF FAITH**

We believe that the Bible alone, in its autographs, is the verbal and only infallible, authoritative Word of God, and that it is the only fit, final rule in all matters of both faith and practice.

We believe that there is only one God, eternally existent in three persons: Father, Son and Holy Spirit. We believe in the deity of our Lord Jesus Christ, His virgin birth and His sinless life, His miracles, His vicarious atonement through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in the power and glory.

We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a Godly life.

We believe that He indwells believers at conversion and that neither His indwelling nor His filling the believer is evidenced by any so-called sign or gift.

We believe that for the salvation of lost or sinful men, regeneration of the Holy Spirit is absolutely essential.

We believe in the resurrection of life for true believers and that they who are lost will be raised unto the resurrection of damnation.

We believe in the resurrection of all men, both saved and lost.

We believe in the spiritual unity of believers in our Lord Jesus Christ.

## **PHILOSOPHY**

Our mission is to respect each child's learning style, honor their individual strengths, and give attention to areas that need growth, including spiritually, academically, and socially. In addition, we put a strong emphasis on character, integrity, responsibility, and organization. While creating a safe environment for learning, we will be free to teach our students the love of self and the love of others, while building character in each child. We understand that our country is only as strong as our community and our community is only as strong as each individual family. Therefore, we are committed to nurturing each family that is represented.

## **MISSION STATEMENT**

Walnut Grove Christian School provides an encouraging environment where your child can  
**STRIVE FOR MORE!**

**FAITH:** We provide an unapologetic, uncompromising Christ centered approach to education

**RELATIONSHIPS:** We develop lasting Christ centered relationships through the students, teachers, staff and parents through intentional communication.

**ACADEMICS:** We provide an excellent accredited academic program where our students score 1.5 grade levels higher than the national average.

**SCHEDULE:** We provide our students and their families an opportunity on Fridays to invest themselves in activities in which they are passionate.

## **METHOD**

To achieve our Mission, Walnut Grove Christian School will do the following:

- Offer a Christ-centered program of education with high academic standards.
- Teach the fundamental elements of education and bring each student to the place where he can reason intelligently, read understandingly, compute accurately, write well, and spell correctly.
- Modify academic instruction within the classroom to accommodate both the advanced learner and those with academic challenges.
- Direct, according to Christian standards, the total development of every student mentally, physically, spiritually, emotionally, and socially.
- Teach that growth in the Christian life depends upon fellowship with God through reading the Bible, prayer and service.
- Teach the student to work independently and cooperatively while gaining an appreciation for athletics, technology, foreign language, the fine arts, and other activities where they may be gifted.
- Build character, producing graduates who are committed, responsible, resourceful, respectful, who take initiative, who view every minute of life as a sacred trust from God to be pursued for His glory.

## **HOME AND SCHOOL SUPPORT**

In order for Walnut Grove Christian School and the family to be successful, we need to be a united front, supporting each other concerning policies and procedures. Walnut Grove Christian School implements the Love & Logic discipline philosophy developed by Faye and Kline. If the same structure, consistency, and follow through is used at home, each child will experience greater success both behaviorally and academically. The Love & Logic philosophy puts emphasis on each child being responsible with their own choices resulting in either reward or consequence while trying to minimize or negate society's glorified view of entitlement.

A home environment supporting our mission would include Christian parents, regular church attendance as a family, reading the Bible and doing devotions daily.

## **CONFERENCES: PARENT / TEACHER / ADMINISTRATOR**

A person who wishes to talk to a teacher or an administrator should call the office and make an appointment. Teachers are not at liberty to talk with parents immediately before school unless special arrangements have been made.

We offer an open door policy to parents and students to discuss matters in question. However, we ask that parents and students follow the Matthew 18 principle and other biblical guidelines in resolving differences and misunderstandings. If you become dissatisfied with Walnut Grove Christian School in any way, we ask that you strive to resolve that matter with the person(s) involved as privately and lovingly as possible.

## **ATTENDANCE, ABSENCES, TARDINESS**

Regular and on time class attendance is essential to academic success. It is important for both parents and students to make maximum effort to be at school each day and on time. Walnut Grove's unique four day a week schedule was designed so that appointments, vacations, and other events that interrupt the school week can be planned for Fridays when school is not in session. Walnut Grove Christian School is expected to meet or exceed state education laws with regard to attendance as well as other areas. Walnut Grove Christian School's attendance requirements are formulated to comply with state law.

### **Grades K-5**

Absences, excused and unexcused, totaling more than 5 days per semester or 10 days per year may result in academic or behavioral consequences. The administration will take into consideration exceptional circumstances when considering absences that exceed the maximum listed above. If a student misses more than 5 days per semester or 10 days per year, the student will be required to meet the criteria listed below in order to receive credit for the class.

### **Grades 6-12**

Absences, excused and unexcused, totaling more than 5 class periods per semester or 10 class periods per year may result in academic or behavioral consequences. The administration will take into consideration exceptional circumstances when considering absences that exceed the maximum listed above. If a student misses more than 5 class periods per semester or 10 class periods per year in any subject, the student will be required to meet the following criteria in order to receive credit for the class.

- Completion of all class requirements assigned with a passing grade
- Provide official documentation for why the student was unable to attend school
- In some cases, a student may be required to take a credit recovery class in order to gain credit for a class.

## **ABSENCES**

Students are required to make up all missed assignments if absent.

### The only excusable reasons for school absences are:

- Student illness where attendance in school would endanger his/her health or the health of other students (more than 3 consecutive days must have a doctor's note)
- Severe illness or bereavement in the student's immediate family
- Verified medical, dental, and optical appointments
- Preapproved planned absences approved by the Headmaster two weeks in advance. (Students may not take a preapproved absence during final exams or standardized testing.)

Students are required to attend school on activity days (special events, field trips, field day, etc.) If a student is absent on an activity day, it will be counted as an unexcused absence.

## **TARDINESS**

Students will be expected to be on time to class, chapel, and all school functions. On time class attendance is critical to a student's success in school. Therefore, we request that both parents and students work together to assure on time arrival to school and to class.

Whether coming in late or leaving early, all assignments due that day must be turned in for classes missed. Any missed tests must be made up the next day. Students are fully responsible to seek out their teachers to fulfill their responsibilities to complete missed work.

Students not in class at the beginning of their first period will be marked tardy.

For every three unexcused days tardy in a quarter, a student must serve Friday School.

A note or phone call from a parent does not excuse a tardy.

Student drivers with excessive tardiness will be referred to the Headmaster and may receive consequences up to and including suspension of student driving privileges.

## DRESS CODE

**\*\*Dress Code is required to be followed on campus and at ALL school related functions.\*\***

The body is the temple of the Holy Spirit as referenced in I Corinthians 6:19-20. It is this truth that dictates our desire to have student attire that is modest and decent (I Timothy 2:9). Students are expected to dress modestly, neatly, and in good taste at all times. A student should not be dressed in such a way to draw attention to his/her body, but to respect and honor God, themselves, and others. Research validates that modesty and neatness impact student learning. A well-groomed and modestly dressed student should come to school with an attitude that prepares him/her for neat, conscientious work.

WGCS desires to afford some ability to be creative and unique in a student's style preferences as long as this can be done within the parameters of the dress code.

The temperature throughout the school building may fluctuate, so please dress accordingly. NO blankets of any kind are permitted to be used to keep warm.

ALL articles of clothing must completely cover shoulders, abdomen, back, cleavage, and undergarments at all times whether sitting, standing, raising the hand, picking up objects, etc. ALL articles of clothing must be without holes, frays, or rips. ALL articles of clothing must be properly fitted.

- Lost Dress Passes cannot be replaced.
- Dress Passes are not transferable to other students.

## **CONDUCT**

A Christian school must provide an environment conducive to the spiritual growth and development of its young people. Attendance at Walnut Grove Christian School is a privilege, not a right. All students are expected to conduct themselves in a respectful, Christ-like manner.

## **DISCIPLINE**

At Walnut Grove Christian School the discipline philosophy is based on Scriptural principles. When students choose to violate school or classroom rules, consequences will be administered with empathy. Methods used to encourage proper behavior would include teacher/student conferences, parent/teacher conferences, after-school detention, suspension, and probation. The practical outworking of a Biblical approach to discipline is implemented through the Love and Logic Discipline Model. Love and Logic discipline is a common sense approach that incorporates discipline skills for teachers and parents that create respect, responsibility, and good decision making in children and youth. Elementary students follow the individual teacher guidelines and procedures set up for classroom management. Should an elementary student's behavior warrant administrative intervention, the Behavior guidelines found below will be used to administer appropriate discipline. Serious offenses are handled individually by the Administration and the School Board. If, at any time, the staff and/or administration determine that a student and/or a student's parents are not in compliance with the spirit of the school, the student will be asked to withdraw from WGCS.

## **LOVE & LOGIC CORE BELIEFS**

Walnut Grove Christian School has adopted a form of interaction with students that we believe is Biblical and views each child as a unique individual image bearer of God. This approach handles discipline differently than a behavior based program. Relationships with students and getting to the heart of a student are more valuable than simply changing a student's behavior temporarily. We believe we should lovingly allow children to grow through their mistakes by emphasizing a logical connection between choices and consequences.

Here are our Core Beliefs in dealing with student behavior:

1. We believe that every attempt should be made to maintain the dignity of both the adult and the student.
2. We believe that students should be guided and expected to solve the problems they create without making problems for anyone else.
3. We believe that students should have the opportunity to tell their side of the story (due process hearing) when consequences appear to be unfair.
4. We believe that there should be a logical connection between misbehavior and resulting consequences.

## STUDENT CODE OF CONDUCT

Each student is expected to act in a manner that reflects biblical values and to develop personal character traits that show maturity. Further, as a community of Christians, students should encourage and support others to live in a manner that pleases God. The following characteristics are representative of Scriptural standards that should be emulated.

### PERSONAL CHARACTER:

**Love for God's Word**—There is no greater source for direction and encouragement than the Bible. WGCS places God's Word in the highest regard, and every student is urged to spend personal time in it regularly. (*Josh. 1:8; Ps. 19:10; Ps. 119:97, 119:127, 119:165; Col. 3:16*)

**Respect for God, other people, and property**—God deserves reverence and respect, and our lifestyle and worship should reflect the honor we owe Him. We are also commanded to show respect to those God has given to be in authority. Further, each person should be mindful about how he treats other people and their property. (*1 Pet. 2:17, Prov. 9:10, Eccl. 12:13, Rom. 13:7, Phil. 2:3, Rom. 12:16–18, Eph. 6:5–9*)

**Kindness and consideration for others**—Christians are to actively seek opportunities to show kindness to others. Common courtesy and politeness are qualities to be developed. WGCS has historically been known as a friendly campus because its students promote these traits. Good sportsmanship is also expected in all athletic endeavors. (*Eph. 4:32, Matt. 7:12, Luke 6:31, Phil. 2:4, 1 Thess. 5:15*)

**Honesty and integrity**—It is necessary that each student deal truthfully with others and maintain a reputation for choosing to do what is right. Without these traits, it is not possible to properly interact with other people or with God. (*Ps. 25:21, Ps. 15:1–2, Prov. 12:22, 2 Cor. 8:21, Phil. 4:8, Prov. 11:3, Rom. 12:17–21, 2 Cor. 4:2, Matt. 5:37*)

**Discipline and self-control**—Christians are to exercise control over their emotions and desires so that behavior is appropriate and right. This is accomplished as the Holy Spirit is allowed to guide every decision and direct each action. (*Gal 5:16–26, Rom. 6:12–13, 1 Cor. 9:24–27*)

**Modesty and purity**—Christian men and women are expected to maintain the highest moral standards as a reflection of God's holiness and as a protection against the effects of sin. While much of today's culture has abandoned these precepts, the biblical principles for behavior and dress are essential. (*Ps. 51:9–10, 1 Tim. 2:9, 1 Cor. 6:19–20, 1 Pet. 3:3–4, Ps. 24:3–5, 1 Tim. 4:12*)

**Diligence**—The ability to work hard is important for professional life and is a characteristic that the Bible encourages. Being available and willing to work with intelligent effort is necessary to further gospel endeavors and contribute as a citizen. (*Prov. 13:4, Deut. 6:17, Prov. 22:29, Col. 3:23*)

**Responsibility**—The Bible teaches that each person must give account for his actions; taking personal responsibility for one's life is the beginning of real stewardship. Making it your duty to be reliable, so that others can depend upon you, is a mark of true maturity. (*2 Cor. 5:10, 1 Cor. 4:2–4, Gal. 6:4–5*) (*Rom. 13:8–10*)

By virtue of enrollment at Walnut Grove Christian School, each student commits to honor the Code of Conduct. In addition to personally upholding these guidelines, students should support and encourage each other to act according to biblical principles. Any student who becomes aware of a serious offense should report it to the Headmaster. A student's vehicle may be searched if there is reason to believe that school standards have been violated. If needed, the goal of corrective measures is to encourage the student to make necessary changes in behavior, limit future misconduct, and/or to protect other students.

## **BEHAVIOR GUIDELINES**

### Administration of Medication

**Prescription Medication:** In order for a student to be given a prescription medication at school, the student's health care provider and the student's parent/guardian must complete and sign an *Authorization for Medication for Students Form* for each prescription medication to be given at school.

Prescription medication will be administered at school only when required to be given four times a day or more, or when prescribed to be given at a specific time during the school day.

The medication must be in its original container with the label on it from the pharmacy and delivered to the school by a parent.

**Prescription Medication for Allergies:** In the case of an allergy requiring administration of an epipen or Antihistamine, an *Allergy Action Plan Form* must be completed and signed by the physician and by the parent before medication can be administered.

**Over-the-Counter Medication:** In order for a student to be given nonprescription medications at school, the student's health care provider and the student's parent/guardian must complete and sign an *Authorization for Medication for Students Form* for each medication to be given at school.

The medication must be delivered to the school by a parent/guardian and must be in its original container showing directed dosage.

**Contraband:** If a student brings an IDENTIFIABLE or UNIDENTIFIABLE medication to school, the school will take the medication from the student. The parent will be notified to pick up the medicine from the office and the student will be suspended.

**School option:** The school has the option to refuse to give medications at school based on their professional judgment.

**Field trips:** On school sponsored field trips, medication supplied by the parent/guardian, in conjunction with the procedures noted above, may be administered only by the student's teacher or other personnel designated by an administrator. The school's field trip policy must be followed and the appropriate *Field Trip Permission Form* must be filled out and signed by the parent/guardian for each field trip indicating medication needs while on the field trip.
