Walnut Grove Christian School
2026 Student Art Exhibit Announcement

“Brave Because of God”

This year’s student art exhibit theme is **“Brave Because of God.”**

This theme focuses on the idea that even when we feel fear, uncertainty, or doubt, God is always with us and gives us the courage to move forward. Through this exhibit, students in grades **K–12** are invited to express, through art, how faith can turn fear into strength, peace, and bravery in everyday life.

Bravery does not always mean doing something big or dramatic. Sometimes it looks like standing up for what is right, trying again after failure, trusting God in a difficult season, or stepping outside of your comfort zone. We encourage students to creatively reflect on how their faith gives them courage.

All forms of visual art are welcome, including (but not limited to):

- Drawing
- Painting
- Photography
- Sculpture
- Mixed media
- Digital art

Each piece should clearly connect to the theme and reflect thoughtful effort and creativity.
