A Message from the Head of School

This fall, our Walnut Grove community gathered to celebrate a remarkable milestone. Twenty-five years of Christ centered education, faith filled service and the unwavering commitment of families who believe deeply in the mission of Walnut Grove Christian School. As we reflected on the history of this ministry, we were reminded again that God has been faithful at every turn and that He continues to guide our steps.

Over this past year, we have leaned on His direction in very real ways. We believed He was calling us to focus first on the people who make this mission possible. Our teachers and staff are the heart of Walnut Grove. Strengthening compensation and support for them was an important step of obedience. As we followed His leading, we watched God provide exactly what was needed for this season.

Our anniversary also served as a powerful reminder of how far He has carried us and how many lives have been shaped here. As we look toward the future, we have prayed faithfully for guidance and believe God has opened the door for us to launch a capital campaign. This will help us equip the next generation with the space and opportunities needed to strengthen our ministry for years to come.

I am grateful for the calling God has placed on my life to serve this school and its families. I am grateful for the unity and generosity of our community, and I am excited to see how God will continue to move as we remain faithful to Him and to the mission and vision He has entrusted to us.

Thank you for walking alongside us, thank you for investing in the mission of Walnut Grove Christian School, and most of all, thank you for believing that this ministry matters and that God is using it to raise up future leaders who will carry his light into the world.

With Gratitude,

Kyle Boyd

Celebrating 25 Years of God's Faithfulness

The evening began with a warm welcome to families in the Cafeteria for Chapel, thanking them for joining us as we celebrated 25 years of God's faithfulness at Walnut Grove Christian School. We shared who we are as a school—rooted in the Four Pillars that were formalized in 2012.

The Beginning

Shannon shared how God planted the vision for Walnut Grove. While homeschooling a small group of students, one parent asked if she had ever considered starting a school. Though she had not, she immediately recognized the need. Children were falling through the cracks, and Fort Mill needed a Christian school. Walnut Grove opened with eight students in a single room in Tega Cay.

Steady Growth & God's Provision

In 2004, Laura Summer joined the school and became our Financial Director. Through tireless dedication, especially during the difficult year of 2020, she helped stabilize the school financially. With her leadership and the generosity of a faithful supporter, God kept Walnut Grove's doors open. Laura also developed the framework that helps our students prepare for life after high school through resumes, college applications, and scholarship opportunities.

We also honored the faithfulness of:

- Sally Boyer — serving for 20 years in roles including Administrative Assistant, Front Desk, and now Facilities Director
- Pam Miller — serving 14 years as Front Desk, Administrative Assistant, and now Office Manager and Registrar

The Miracle of Our Building

In 2011, God provided our current facility in remarkable fashion. After attempting to move into 22 different locations with no success, a board member mentioned that the old Appleseed building was being auctioned. Laura and her husband attended the auction in person while Shannon—feeling led to be there—drove her golden minivan straight into the middle of the event.

Though we had no down payment, needed owner financing, and could not afford renovations, the new owner listened, and he asked, "What can you afford?" God answered, and He gave us the building.

Building the Team

Also in 2011, Mary Jo Shannon joined the school, developing our admissions and human resources systems that remain the backbone of our operations today.

In 2015, Mary Rudnick came on board and has since built our thriving Music and Drama Program, blessing countless students and families.

Pandemic & Expansion

During the COVID-19 pandemic, Walnut Grove remained open with mask-optional and vaccine-optional policies, welcoming many new families. Growth required expansion. Through a Zoom-based capital campaign in the height of uncertainty, God provided the funds to complete the final third of our building. In 2021, the facility was fully finished.

Preparing for the Future

In 2024, we partnered with The Capstone Group to begin strategic growth planning. Though plans initially focused on building a gym, God redirected the board's heart toward what mattered most—our teachers. With the help of generous supporters and a small tuition increase, staff salaries were raised by 20%. Only then did we feel ready to move forward with future expansion.

Now, the foundation is set and the building blocks for our next chapter are being laid.

Academics

Graduate Outcomes (Class of 2025): 24 Graduates

ACT:	**SAT:**
Top 10 Percent: **30**	Top 10 Percent: **1447**
Top 25 Percent: **28**	Top 25 Percent: **1326**
Total Class Percent: **22**	Total Class Percent: **1097**

Average weighted GPA: 4.16

$4M in Scholarships

College Admissions: 23
4-year universities: 16
2-Year: 7
Missions: 1

6 Students applied to Clemson and all 6 were accepted.

49.5% of our students 7-12th Grade are in the WGCS Honors Program.

"We consistently exceed national averages in reading and math, reflecting our rigorous, faith-integrated curriculum."

Dual Enrollment Program:
This year marked our **highest enrollment in Dual Enrollment course**s, positioning students for advanced academic success beyond graduation. We are happy to report that through our partnership with Winthrop University, 50% of our current Juniors and Seniors are eligible and have enrolled in this program. This has steadily increased each year since its inception in 2016.

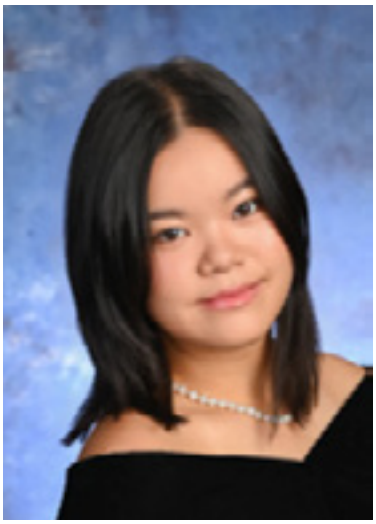
Awards and Honors:
American Christian Honors Society Inductees 2025: 13

US Congressional Awards Gold Medalists, since 2017: 9, and 54 who have worked towards and have earned various levels from Bronze, Silver, and Gold Medals

Awards recognizing faith-based character "Joseph Award" Winners:

Sixth Grade: Ellie York (6th)
Seventh Grade: Kendall Tarbell (7/8th)
High School: Lily Carrion (HS)

Clubs and Organizations:
Chess Club, Drama Club, Beta Club, Student Council, and Praise and Worship Team



One of our exceptional WGCS seniors, Jessica Gozali, has been recognized as a finalist in the 2025 National Merit Scholarship Program. This year, a record 2 million students participated in the 2024-25 PSAT, with only 16,000 selected as semifinalists. Jessica is one of just 14 in Fort Mill and 18 in York County, reflecting her academic excellence. As the National Merit Scholarship Program states, "this program honors students who demonstrate exceptional academic ability and potential in rigorous college studies" (www.nationalmerit.org). She will compete for one of over 8,000 scholarships to be awarded in Spring 2025. Congratulations to Jessica Gozali!

In addition, Jessica has earned the esteemed Congressional Award Gold Medal. Established by the U.S. Congress, this award empowers young individuals to realize their potential by setting and achieving personal goals in volunteerism, character development, and physical fitness. At WGCS, we encourage our students to seize the opportunity to earn this prestigious honor, available to those starting at 13 and a half. **Jessica is one of 10 WGCS students** to achieve the **Gold Medal**. We extend our heartfelt congratulations to her for her dedication to reaching her goals and pursuing a bright future. We are all incredibly proud of her accomplishments!

Academic excellence at Walnut Grove is driven by small class sizes and the passion of innovative, creative teachers. While the Bob Jones curriculum provides a strong and trusted foundation, it is our faculty who brings learning to life by designing experiences that invite depth, curiosity, and meaningful engagement for every student. Several teachers shared highlights from this year that beautifully capture the spirit of our classrooms:

OUR 4 PILLARS

Third-grade students brought Early American History to life through an original presentation and live performance for parents, highlighting both creativity and a strong understanding of America's early story. "I am so thankful that Walnut Grove allows its teachers the freedom to be creative in our teaching styles and methods as we teach the curriculum," said Lisa Rivera.

After completing a unit on poetry and exploring rhyme scheme, imagery, and enjambment Mrs. Lindemann (7-8th Grade Teacher) challenged her students with an application-based writing project: a personal collection of three original poems. To elevate the experience, she transformed the classroom into a Literary Café, creating a space where students could present their work in a professional, exciting setting.

At Walnut Grove, academics extend far beyond textbooks. They are woven into performances, conversations, service, and the courage to create, equipping students with both knowledge and purpose.

"This year's high school retreat launched our school year beautifully. Evening worship and Scripture discussions set a reflective tone as students explored the importance of finding their identity in Christ. During the day, students enjoyed paintball and swimming—activities designed to build relationships and foster community. Team events helped break down social barriers between grades, but the unstructured moments proved just as meaningful. Late-night cabin conversations, spontaneous porch gatherings, and shared meals created space for genuine connection. Students returned tired yet energized, ready to begin this next season together." - Lee Williams, High School Bible Teacher.

Faith

Faith has remained the cornerstone of Walnut Grove's mission and growth in 2025. Our *Celebrating Connections* theme proved to be more than a celebration; it was a living testimony of God's faithfulness.

As we marked 25 years of ministry, we reflected on the extraordinary journey the Lord has written for Walnut Grove from just 8 students at its beginning to an incredible 235 students this past year. This milestone stands as a true testament to faith, obedience, and the power of trusting God's plan through every season of growth and change.

Throughout the year, our teachers consistently witnessed how faith is strengthened through connection.

"Our morning teacher prayer group has been such a meaningful time for us to share concerns, pray together, and support one another. It also provides a powerful example for our students, who see us gather in prayer each morning." -Jane French

"After the Christmas program, a mom told me that her daughter was recently baptized. The Bible classes at WGCS had blessed her." -Teresa Jensen

These testimonies offer only a glimpse into the magnitude of what takes place daily at Walnut Grove, in the minutes, hours, and moments that shape hearts and lives. Our teachers faithfully pour into each child, and in return, our students bless us through the ways they love, serve, and honor the Lord.

This spirit of service was beautifully displayed through our annual Operation Christmas Child outreach through shoebox collection in all grades. High school students spent time at the processing facility, preparing and packaging boxes for children around the world. Later in the month, our seniors gathered in worship and prayer, lifting each box with a prayer before carefully loading them onto the bus for delivery, a moving picture of students living out their faith in meaningful action.

In every classroom, chapel, prayer circle, and act of service, God's presence continues to guide Walnut Grove forward.

OUR PILLARS

Schedule

Another of Walnut Grove's foundational pillars is Schedule, and in 2025 it continued to serve as a vital contributor to our school's success. Our unique structure allows us to be deeply intentional with the time we share on campus, maximizing both academic focus and relational connection.

The Monday–Thursday instructional schedule remains a hallmark of the Walnut Grove experience. This rhythm intentionally provides families and staff with Fridays as a Day of Rest, creating space to invest in family life, relationships, personal growth, and spiritual renewal.

This schedule also empowers students to pursue opportunities that enrich their development beyond the classroom. Many students have discovered and cultivated their unique gifts and talents through activities such as acting, singing, and fencing. Others compete on club athletic teams, using the flexible schedule to travel and grow in discipline and teamwork. Still others devote their Fridays to volunteer service, earning service hours while making meaningful contributions to their communities.

By honoring both excellence and balance, the Walnut Grove schedule fosters students who are not only academically prepared, but also well-rounded, resilient, and purpose-driven.

Relationships

2025 was a year marked by meaningful relationships and a deep sense of community. At Walnut Grove Christian School, relationships are not simply formed, but they are *cultivated, strengthened, and lived out daily.*

This spirit was especially evident during our **Celebrating Connections 25th Anniversary Celebration**, a powerful time of reflection on the legacy of memories and relationships that have shaped WGCS for over 25 Years. The stories shared by former students and faculty, now returning as honored guests, reminded us that what we build here extends far beyond the classroom.

Throughout the year, our community consistently demonstrated Christ's love in action. Families walked through seasons of illness and surgery. Members of our student body and faculty grieved the loss of a parent. In every moment of need, our staff and families rallied around one another with prayer, meals, encouragement, and unwavering support. Our students modeled this same compassion.

Middle school parents organized handwritten notes of encouragement, filling lockers with words of hope and affirmation. The dance community celebrated **Olivia Lunderville**, recognizing her for her dedication to supporting young dancers and faithfully mentoring those who follow in her footsteps.

Walnut Grove hosted its first **Veterans Day Celebration**, led by **Laura Self**, with over **50 veterans in attendance** and 75 **"My Hero" Veteran Flyers** on display. The event was filled with gratitude, fellowship, and heartfelt appreciation for those who have served our nation.

At Walnut Grove, relationships are not an outcome, rather they are the foundation. And in 2025, that foundation grew stronger than ever.

Daily Life at *The Grove*

Music / Arts

Music and the arts play a meaningful role in shaping the spiritual and creative life of Walnut Grove Christian School. Throughout the year, students are invited to use their gifts as an expression of worship, storytelling, and faith, learning that creativity is not only something to be performed, but something to be offered to God and shared with others.

Chapel worship is one of the most visible expressions of this commitment. Led by student musicians alongside faculty support, the chapel worship band creates a space where students gather weekly to sing, reflect, and grow together. These moments help establish a rhythm of worship that reaches beyond music itself, forming hearts that are attentive, grateful, and grounded in truth.

This spirit carries into Walnut Grove's annual Christmas musical and drama production, a highlight of the school year. Under the leadership of the Music and Drama Program, students from multiple grade levels come together to bring the story of Christ's birth to life. Through rehearsals, performances, and shared responsibility, students build confidence, discipline, and teamwork while learning how storytelling can point others toward hope and redemption.

We would be amiss if we didn't mention **Night at the Grove**, created by senior **Sophia Cron**. It provided students with a platform to express their God-given talents through artistic performance—celebrating creativity, faith, and courage. WGCS continues to support the fine arts and exposing our students to different forms of music. Val Cripps, father to Shannon Boyd and his music group *The Envoys Quartet* performed Christmas selections during chapel, blending fine arts with worship.

We also have individual class musicals in the Spring for K- 5th grade.

Whether through worship, drama, or artistic performance, the arts at Walnut Grove provide students with opportunities to grow in courage, creativity, and faith. These experiences remind our community that God delights in the gifts He has given His children and that, when offered back to Him, those gifts can encourage, inspire, and unite.

Athletics

The athletic department remained committed to teaching Christian character through athletics by promoting sportsmanship, student participation, and academic accountability while ensuring safe and well-organized athletic opportunities aligned with our four pillars.

Athletic Programs Fielded

During the year, the school offered a balanced selection of interscholastic athletic programs.

Spring Sports:

1. Middle School Co-Ed Tennis - 7
2. Varsity Co-Ed Tennis - 6
3. Co-Ed Middle School Golf - 5
4. Co-Ed Varsity Golf - 5

Fall Sports:

1. Middle School Girls Volleyball - 10
2. Varsity Girls Volleyball - 15
3. Varsity Boys Soccer - 17
4. Middle School Boys X/C - 4

Winter Sports:

1. Middle School Boys Basketball - 14
2. Varsity Boys Basketball - 9
3. Middle School Girls Cheer - 5

Total Teams: 11 as of 12/18/2025
Total Student-Athletes: 97 as of 12/18/2025

Competitive Achievements

Athletic teams demonstrated competitive effort and positive representation of the school.

Team Achievements:

- Varsity Soccer won the Regional Conference Tournament
- Middle School Golf won the Regional Conference Tournament
- Varsity Girls Volleyball place as a runner up in our Regional Conference Championship

Individual Honors and Recognitions:

- Varsity Boys Soccer - Josh Jones and Conner Harrington both named to All-Conferrence Team
- Varsity Girls Volleyball - Kate Soder, Kendall Pachin, Natalie Sale, Lila Thompson, and Zoe Pachin all named to All-Conference Team
- Mrs. Gose and Mrs. Lindemann supported students Braedan Mead and Finley Boyd, who competed in a varsity volleyball match representing Fort Mill public schools.

Fundraising or sponsorship activities:

- The varsity girls volleyball team utilized two fundraisers for a trip to Tampa as a team. They competed in the 5th Annual GEM Tournament. They sold TidalWave CarWash tickets and also used Snap Raised.
- We had 6 local businesses who sponsored our athletic program. The five businesses are J Tea, Harden Law Firm, Lake Wylie Pediatric Dentistry, Four South Group, Vertex Capital Advisors, and The Learning Jungle.

Challenges and Areas for Improvement

The following areas were identified for continued improvement:

- Volleyball court on the back playground: Inground poles are being ordered and planned to be installed by January 2026.
- Transportation for athletes to practice facilities and games: A 15 passenger school bus has been purchased and will be wrapped by 2026.

Goals for the Upcoming Academic Year

- Strengthen communication with families, coaches, and sponsorships
- Increase student participation across all programs
- Continue to address facility and equipment needs
- Continue to emphasize athletic achievement and sportsmanship
- Increase volunteer participation for games and events
- Add summer camps

School Growth

While enrollment numbers often tell one story of growth, Walnut Grove Christian School experienced meaningful growth this year in an equally important area: satisfaction across its community.

In early 2025, Walnut Grove conducted a comprehensive Climate Survey, drawing responses from more than 120 parents, teachers, staff members, and leaders. This strong participation reflects a deeply invested community and a willingness to engage in the life and future of the school.

Survey results revealed consistently high levels of satisfaction across nearly every category measured. Families overwhelmingly affirmed the school's Christ-centered environment as one of Walnut Grove's greatest strengths. Many shared that biblical integration, spiritual consistency, and the modeling of Christian character by teachers and staff are foundational reasons they chose Walnut Grove and continue to value it.

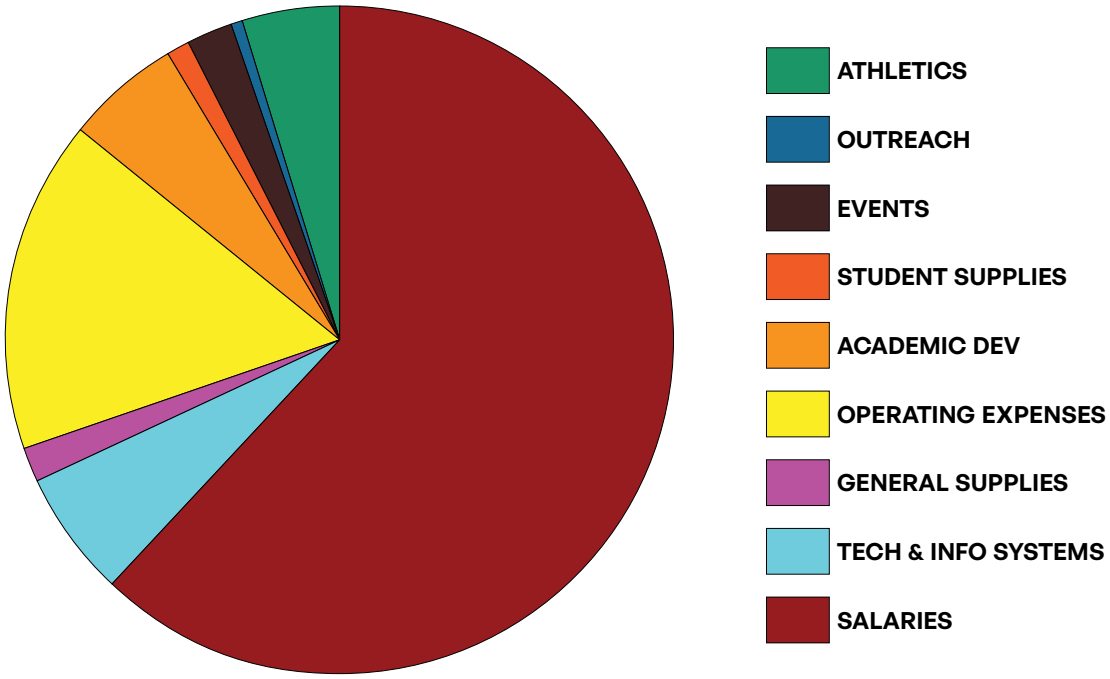
Relationships also stood out as a defining strength. Student-to-teacher and parent-to-teacher relationships received some of the highest ratings in the survey. Families repeatedly noted that teachers know their students well, care deeply for them, and create classrooms where students feel supported, encouraged, and known.

Confidence in leadership and communication further reinforced this sense of satisfaction. Families expressed appreciation for clear, consistent communication and transparent leadership. Academic direction and instructional quality were rated positively, with respondents noting both academic growth and meaningful spiritual formation.

The survey also identified thoughtful opportunities for continued improvement, including facilities, extracurricular offerings, and coordination in areas such as athletics and workload. These insights were shared in a spirit of trust and investment, reflecting families' desire to see Walnut Grove continue to strengthen.

Taken together, the Climate Survey tells a clear story. Walnut Grove Christian School is fostering a healthy, connected, and confident community. Even in a year without measurable enrollment growth, the school experienced growth that matters deeply: stronger relationships, deeper trust, and rising satisfaction among those it serves.

Financial Report



Salaries, Wages and Benefits	$1,501,504.41
Technology, Information Systems & Marketing	$ 142,388.87
General Supplies & Expenses	$ 44,876.18
Operational Expenses	$ 384,506.17
Academic Development	$ 138,116.37
Student Supply Expenses	$ 22,754.45
Athletics	$ 113,719.52
Events and Student Activities	$ 56,305.58
Outreach Expenses	$ 10,200.00
Tuition Expenses	$ 37,865.05
Interest & Mortgage Payables	$ 109,949.88
Total Expenditures	$ 2,562,186.48

Forward Together & General Donations 2024-25: $176,175

Financial Summary

This year's budget reflects a shortfall primarily because the Board made a strategic decision to invest in our teachers and staff. While this investment increased personnel costs and contributed to the already negative deficit, it was essential to support enrollment growth and maintain the high quality of instruction our families expect. We were fortunate to have sufficient savings to cover the current year's deficit without impacting on programs or services. Looking ahead, the school is committed to moving toward a balanced budget by aligning future staffing and program decisions with long-term financial sustainability.

Our fundraising initiatives have been pivotal in advancing the mission of Walnut Grove Christian School. Fundraising has allowed us to invest in innovative programs and people, enhance our facilities, and provide additional resources that enrich our students' educational experiences. While we celebrate these numbers, we believe there is still more to be done.

We are encouraged by the progress we've made in all of these areas, but we know there is more to do. We move into 2026 with our eyes set on growth. Our focus is on expanding programs and enhancing opportunities for every student. To make that vision a reality, we need the support of our entire community. Together, we can continue to grow and ensure that every student can Strive for more in piritual growth, relationships, academics and, schedule.

Other Highlights

Property valued at over $5 Million in 2020
Mortgage balance as of December 2025: $671,687.38

Operations & Facilities

In 2025, Walnut Grove continued its commitment to providing a safe, functional, and inspiring learning environment through several key facility and operational enhancements.

- **Playground Improvements:** New playground equipment was purchased and installed, incorporating all current safety measures to ensure a secure and engaging space for our students.

- **Transportation Expansion:** A third school bus was added to our fleet and will be fully wrapped and in service during the first weeks of January, increasing transportation capacity and reliability for our transportation of students to and from activities.

- **Athletic Facilities Enhancement:** The outdoor volleyball court received new poles and was installed in January, further expanding opportunities for student recreation and athletic development.

- **Campus Security Upgrades:** New security cameras were installed in late December, significantly improving security coverage and visibility across the entire campus and strengthening our commitment to student and staff safety.

Each of these improvements reflects Walnut Grove's dedication to operational excellence and stewardship of the resources entrusted to our care.

A Message from the Board of Trustees

What an honor it is to contribute to the inaugural Annual Report, which sets the tone for transparency, vision, and culture here at Walnut Grove Christian School. This is a significant achievement and milestone in our history, and I would like to express, on behalf of the entire Board, gratitude to our families, teachers, staff, and supporters for your continued trust and partnership.

As a brief introduction, the five voting Board Members are: Jeff Hanson – President, Dian Lieck, Kevin Higgins, Mark Hurley, and David Kost. Each member brings experience and talent from diverse backgrounds that align well with the school's mission of providing a Christian education and fostering community. The Board is united in supporting the Head of School, Kyle Boyd, and we wholeheartedly appreciate his ongoing 'Warrior' leadership and vision in stewarding this mission.

The Board of Trustees reaffirms the mission and Christian culture that has been well-established during its 25-year history. We remain connected to the school's Four Pillars (Academics, Faith, Relationships, and Schedule) and will lead and govern with humility in service to Christ and our Christian family as we build upon this foundation.

Looking ahead, I am extremely inspired and excited to see and write the next chapters of Warrior history with the Team assembled. I would ask and encourage your continued prayer, support, and engagement from families and partners to help us achieve the dreams and aspirations for what God has planned for Walnut Grove Christian School.

This Annual Report is both a testimony to what God has done and a promise of what He will continue to do through the students, families, teachers, and supporters of Walnut Grove Christian School.
